🎓 EDUCATION

- National Tsing Hua University**, Hsinchu City, Taiwan 2016 – present
Master student in Computer Science
- Fu Jen Catholic University**, New Taipei City, Taiwan 2012 – 2016
B.A. in French Language and Literature

🐾 EXPERIENCE

- Iris Recognition using Deep Learning @ CVLAB** 9/2016 - 7/2017
- Use FCNs to get segmentation results of iris.
 - Use a resnet-based 2-channel siamese network to recognize different eyes.
- Fingerprint Verification using Deep learning @ CVLAB** 10/2017 -
- Face Recognition in Unconstrained Environment @ CVLAB** 10/2017 -

⚙️ SKILL

- Programming Languages: Python C++ Matlab
- Languages: Chinese English French
- Frameworks: Pytorch Caffe

📖 PUBLICATION

- Deep neural networks for accurate iris recognition (Accepted by ACPR 2017)
